1	Price	40				
2	Warranty period	40				
3	Delivery time ,before required time 30th of June 2026	20				
	Total scoring	100	0	0	0	0

1. The price – maximum 40 points, awarded using the following formula:

$(\text{gross price in the lowest bid}) / (\text{gross price in the bid under consideration}) * 40$.

The calculated amount shall be rounded using the mathematical rule of rounding, with such a number of decimal places as necessary to differentiate the scoring granted to bids with different prices.

2. Warranty period – maximum 40 points. The Contractor will be awarded 10 points for each 6 months extension of periods referred in the Tender Specification(SIWZ) (the Contracting Party requires that all periods referred to in that point must be extended in the same manner) – however, not more than 40 points in total.

3. Delivery time – maximum 20 points.

The Contractor will be awarded 10 points for each 1 month of shortening the periods referred in the Tender Specification (ToR), (required delivery time is 30 th of June 2026)
